Fig. 17

Fig. 1 is a perspective view of a rectangular container, such as a bag or box, with a top flap 16. The container has a front panel 18 and side panels 20. A top flap 16 is shown partially folded. A dashed line 64 indicates a fold line. A vertical line 56 divides the front panel. A horizontal line 37 is shown near the bottom. A small rectangular area 42 is located near the bottom right corner. A curved line 18 is shown near the bottom left corner. A dashed line 35 is shown near the bottom right corner. A dashed line 37 is shown near the bottom left corner. A dashed line 35 is shown near the bottom right corner. A dashed line 37 is shown near the bottom left corner. A dashed line 35 is shown near the bottom right corner.
